

LITTLE DINER

Always Tasty, Always Homemade...with Love.

Situated amidst the lush greenery of Bukit Timah, Little Diner is a place of respite from the hustle and bustle of everyday life. **Make no mistake; we are not a fine dining establishment, serving haute cuisine on small plates.**

Instead we serve hearty food that feed the hungry and invigorate the weary. There is no pretense; just honest, good comfort food.

We seek to embody the concept of a local diner,
your go-to place for great eatz in generous portions.

We urge you to make Little Diner your home as much as it is ours. Come to a place where the food is great, and friends are made.

Homemade food better than yer mama's....just don't tell her...!
