

# LITTLE DINER

**Always Tasty, Always Homemade...with Love.**

Situated amidst the lush greenery of Bukit Timah, Little Diner is a place of respite from the hustle and bustle of everyday life. **Make no mistake; We are not a fine dining establishment, serving haute cuisine on small plates.** Instead we serve hearty food that feed the hungry and invigorate the weary. No pretence; just honest, good comfort food. Come to a place where the food is great, and friends are made. Homemade food better than yer mama's....just don't tell her!!!
